Raising pulses and box-office profits in equal measure when it was released in 2015, Fifty Shades of Grey introduced audiences to the R-rated exploits of Anastasia Steele and cocksure entrepreneur Christian Grey. The film gives the term "lockdown" a whole new meaning, and whether self-isolating or with a significant other, you can watch Fifty Shades of Grey online now.Released: February 2015Director: Sam Taylor-JohnsonCast: Dakota Johnson, Jamie Dornan, Eloise Mumford, Jennifer Ehle, Marcia Gay Harden, Rita OraRun time: 2 hr 5 minsRating: RIt's the archetypal tale: girl meets boy, boy courts girl, girl falls in love, boy presents girl with a legally-binding contract of sexual dos and don'ts. Okay, so this adaptation of E. L. James's best-selling novel isn't your conventional meet-cute. It's a romantic drama with BDSM themes, charting the sexual awakening of 21-year old Anastasia (Dakota Johnson) as she tentatively navigates Christian Grey's erotic world. From the beginning they're drawn to each other. But where she'd like the occasional dinner date and post-coital hugs, he's happiest utilizing an assortment of whips and other assorted sex toys.Director Sam Taylor-Johnson gifts the novel's fanbase with tasteful titillation, a brooding romance, and the sight of actor Jamie Dornan's bottom. She didn't receive an Oscar nomination, alas, but the film did become an instant hit: grossing \$570 million dollars worldwide and spawning two sequels.So, try to restrain yourself as we detail how you can watch Fifty Shades of Grey online from wherever you are in the world - including details on its two sexy sequels, too.Can you watch Fifty Shades of Grey on Netflix?Yes - but not everywhere. In fact, hardly anywhere, as the first of the trilogy is available exclusively on Netflix in the UK. Netflix subscribers in the US, Canada, Australia and beyond will have to look elsewhere for their S&M (streaming and movies) - we have more information below.If you find yourself outside your normal country of residence and try to access regional streaming services, the chances are geo-blocking restrictions will prevent that - leaving you unable to watch Fifty Shades of Grey online.Luckily, there's a simple solution. Downloading the best VPN will allow you to stream Fifty Shades of Grey no matter where you're living. This essential piece of software changes your IP address so that you can stream all your favorite shows or films on demand, just as if you were watching from the comfort of your own home.More like this: discover all of today's best Netflix VPNsHow to watch Fifty Shades of Grey online in the USHow to stream Fifty Shades of Grey in the UKHow to watch Fifty Shades of Grey online in CanadaHow to watch Fifty Shades of Grey online for free in Australia(Image credit: Universal Pictures)How to watch Fifty Shades Darker onlineAfter the first film's cliffhanger, audiences had to wait until 2017 to see whether Ana and Christian would reconcile their physical and emotional lives. Fifty Shades Darker explores Christian's domineering personality as formative figures from his past emerge, determined to drive a wedge between the two leather-struck lovers. There's more backstory and backside in this thrilling second instalment, and you can watch Fifty Shades Darker online now through the below streaming services:US - If you create an NBC Profile you can stream the film free through USA Now (opens in new tab). Alternatively, Fandango Now (opens in new tab), Amazon Video (opens in new tab), Google Play (opens in new tab) and other VOD services have the film to buy and rent.UK - Sorry folks, but you can't stream Darker in the UK - not even on Netflix. But you can rent or digitally download it from Amazon Video (opens in new tab), Google Play (opens in new tab), Rakuten TV (opens in new tab), or YouTube (opens in new tab).Canada - The sequel so dark it couldn't be streamed. There's no option to view it in Canada, either, so it's a case of renting or purchasing a copy from services like Apple iTunes, (opens in new tab) Cineplex (opens in new tab), Google Play (opens in new tab) and Microsoft Store (opens in new tab).Australia - Nothing here either in regards streaming. Though, if you think it's worth a few dollars to see Ana and Christian again, the film is available to rent from AU\$3.99 at Microsoft Store (opens in new tab) and Apple iTunes (opens in new tab). Prefer a repeat appointment with Mr Grey? The film can be bought for AU\$12.99 on both platforms.How to watch Fifty Shades Freed onlineThe final film in the trilogy hit cinemas in 2018, just in time for Valentine's Day. We find Ana and Christian, having tied the knot, living in a sun-kissed fog of luxury, passionate sex, and marital bliss. Their newfound stability, however, is threatened by Ana's vengeful ex-boss Jack Hyde, and the revelation that Ana is pregnant. Will the Grey's live happily ever after? You can find out for yourself and watch Fifty Shades Freed online through the below streaming services:US - Amazon Channel Cinemax (opens in new tab) through Amazon Prime Video will allow you to watch Fifty Shades Freed...for free...with its 7-day trial, although you'll need to first subscribe to Amazon Prime's 30-Day Free Trial. It's also available to rent and buy through Amazon Video (opens in new tab), Apple iTunes, (opens in new tab) Fandango Now (opens in new tab), YouTube (opens in new tab) and many other services.UK - English viewers can reach the film's climax through Netflix (opens in new tab), or alternatively purchase it from Amazon Video, (opens in new tab) Chili (opens in new tab), YouTube (opens in new tab) and Sky Store (opens in new tab).Australia - No streaming service options unfortunately, but you can watch the film through Google Play (opens in new tab), Microsoft Store (opens in new tab), YouTube (opens in new tab) or Apple iTunes (opens in new tab) for a one-off fee.Canada - Alas, the film isn't available on Canadian streaming platforms either. But you can get your mitts on Mr Grey, to rent or buy, via Cineplex (opens in new tab), Apple iTunes (opens in new tab), Google Play (opens in new tab) and YouTube (opens in new tab).Compare the best overall VPN services: (opens in new tab)Everything - the #1 best VPNAndroidLinuxPSNWindowsXboxiOSFacebookNetflixTwitterYoutubeiPlayer (opens in new tab)Torrenting and P2P trafficFacebookNetflixTwitterYoutubeiPlayer (opens in new tab)Balance of options and ease of useFacebookNetflixTwitterYoutube (opens in new tab)AndroidChromeFirefoxLinuxMacOSWindowsiOS The steamy novel "Fifty Shades of Grey" and its sequels, "Fifty Shades Darker" and "Fifty Shades Freed," became major pieces of pop culture around the time of their publication. The three books held the top three spots on best-seller lists for much of their debut year and have inspired parodies and knock-offs. You may have heard the "Fifty Shades" trilogy be described as "Twilight" for adults or "pornography for moms" and questioned what the books are really about. Here is a brief overview of the first book, "Fifty Shades of Grey," to help you understand what's on everybody's minds. E.L. James originally wrote "Fifty Shades" as a series of episodes on a "Twilight" fan website; she titled it "Master of the Universe." Appropriately, the main characters were originally named Edward and Bella, and the story took place in Seattle, which is close to the location of the "Twilight" books. After readers raised concerns about the sexual nature of the content, James removed the story from the fan site and posted it on her own website. "Fifty Shades of Grey" is the story of a 21-year-old college student, Anastasia, who begins a relationship with a 27-year-old successful, powerful businessman named Christian Grey. They meet when she interviews him for her college newspaper. When they later meet up in Portland, Oregon, he rescues her after she over-imbibes, which results in her chastely spending the night in his Heathman Hotel room. Christian is intrigued by her and offers her a non-disclosure agreement and contract that establishes their exclusively sexual relationship and defines it as one of "dominance and submission." She doesn't sign the agreement but does lose her virginity to him. Further scenes in the book introduce his lavish lifestyle with astonishing Seattle apartment, personal helicopter, and chauffeur. But there is also tension with an older woman who first introduced Christian to BDSM, as well as allusions to a former girlfriend who figures in the later books. Ana eventually meets Christian's parents and the reader is also introduced to Ana's mother and stepfather. The novel plays on tension over the nature of their relationship and the possibility of romance and love, as well as Ana's explorations in Christian's darker tastes in sexuality. Christian wants to have control, likely related to the physical and mental scars he bears from child abuse. However, he is likely as seduced by emotion for her as she is enticed by both sexual explorations and romance for him. "Fifty Shades of Grey" fits into the genre of erotica, and the plot and characterizations rely heavily on sexual content. Still, it has gained mainstream popularity rather than remaining genre fiction. Many credit the advent of e-readers for allowing women to read books without others knowing what they are reading. Media Platforms Design TeamLast week, a sexy teaser promised us a brand-new Fifty Shades of Grey trailer during tonight's episode of Scandal. So naturally, we (and every woman everywhere) tuned in.Check out the brand new preview below:Well that was worth waiting for! Looks like this trailer delves a little bit more into the emotional parts of their relationship, rather than just what goes on in the red room (though, we wouldn't mind a little more of that, too). So, anyone else counting down the days until Valentine's Day 2015?More from Women's Health:7 Things Jamie Dornan Revealed About Fifty Shades of GreyWatch the First Official Fifty Shades of Grey TrailerHow Fifty Shades of Grey Changed Your Sex LifeWatch Next
